

SCIENCE EDUCATORS'

BEST

OF SHOW™

nsta 2020

Thank you for your interest in the NSTA Best of Show Awards program. We've made it easy for you to complete your entry form in 4 easy steps:

STEP ONE:

Select three entry categories and sub-categories for your entries and mark your selections in the check boxes provided.

STEP TWO:

Complete entry information for each product or service you're entering into the Awards program. Entry information is important because the judges will read these descriptions before they come to your booth.

STEP THREE:

Return your completed entry form(s) via email to: daylene@catapult-x.com

STEP FOUR:

Once we receive your completed entry form(s), you'll receive your entry confirmation(s) along with an invoice.

Judging Process:

A panel of "secret shopper" educators, selected in advance by Catapult X, will review nominations and choose the winners. Two secret-shopper judges will review each vendor submission including the description you provide below. Judges will visit booths during the NSTA National Conference to learn more about the nominated products and services and to score their findings. They will spend approximately 5-10 minutes in your booth and use a rubric, developed by the lead judge.

All attendees will have the opportunity to vote via the NSTA conference app, and voting will be limited to one per person to prevent "stuffing." Advertising, emails, and prizes will drive attendees to your booth for voting. In the case of a secret-shopper judge tie, the attendee vote will break the tie.

STEP ONE:

Check the box for each entry you wish to submit.

Category: Outstanding Vendor: Attendees' Choice

Entry Fee: \$395

Recognizes science and STEM organizations who go above and beyond to deliver remarkable customer service. Four finalists will also be recognized.
